Quarterly Product Report

Executive summary

Scripto shipped its static marketing layer this quarter: **102 prerendered pages**, a Lighthouse score of 100/100 for performance and SEO on the landing page, and a real-time demo recorded from the product itself.

Highlights

- Editor moved to `/app` with zero regressions
- 21 document skins, each with a dedicated page
- Arabic/RTL guides published in both languages

Metrics

Metric	Q2	Q3	Change
Prerendered pages	1	102	+101
Lighthouse SEO	72	100	+28
Templates	41	53	+12

Risks

Rankings take 6–10 weeks to materialise; the content flywheel must keep spinning.

Next quarter

1. Ship per-skin galleries
2. Expand the Arabic content cluster
3. Launch the community template registry
